Report to accompany the 2nd revised estimate for the supply of office furniture to the South Kanara Division.

Original estimate DR No.4 I/48-49 --Rs.5,300/-

1st revised estimate D.R. No.67/51-52 --Rs.7,000/-

2nd revised estimate Rs.10,250/-

The original estimate and the 1st revised estimate were prepared for the bare minimum requirements of furniture then required for the Division Office and G.M.F. Sub Division staff. Subsequent to the Sanction to these estimates there was an increase in the staff. Consequently there was the demand for extra furniture. A new G.M.F. Sub Division was formed in Coondapur and necessary furniture had to be provided for this new Sub Division and sections. Thus the necessity for extra supply of office furniture was keenly felt.

The rates provided for in the 1st revised estimate were only approximate. But when quotations were called for fromthe local cabinet makers it was found that the rates provided for in the 1st revised estimate were far below the local market rate then existed and extra rates had to be paid for the several items of furniture purchased. Thus the necessity for the 2nd revised estimate were due to the following reasons.

(1) Increase in the strength of staff in the Division Office demanding increase in the supply of furniture.

(2) Formation of a new G.M.F. Sub Division at Coondapur

(3) Provision of bare minimum supply of furniture under the 1st revised estimate demanding increased supply.

(4) Approximate rates provided for in the 1st revised estimate resulting higher rates to be paid for based on competitive quotations.

3. With his letter dated 5-7-1954 at p. 1 c.f., the Spl. C.E. has since submitted a second revised estimate for Rs.10,250/- for the purchase of furniture required for the Special Division. He has reported that the present estimate provides for the furniture so far purchased and that no further purchase is contemplated. The reasons for the second revised estimate are reported to be as follows:-

(i) A new G.M.F.Sub-Division was formed in Coondapur and necessary furniture had to be provided for this new Sub-Division and sections. The necessity for increased supply of furniture was therefore keenly felt; and

(ii) The rates provided for in the estimate, for which sanction was accorded in G.O.Ms.No. 2457, P.W., dated 30-6-1949, were only approximate and when quotations were called for from

the local cabinet makers, it was found that the rates provided for in the estimate were far below the local market rates then existing. Extra rates had , therefore, to be paid for several items of furniture.

Ban p.7 cf

Attention is, in this connection, invited to the statement at pp.13-19 c.f. which shows in detail the reasons for the revised estimate.

1 p. 13-19 cf

4. In the circumstances stated in para 3 above and in view of the fact that the furniture has already been purchased, sanction may, perhaps, be accorded to the revised estimate for Rs.10,250/- now submitted by the Spl. C.E. Subject to orders, a draft order is submitted for approval.

5. Home and Fin. may see for acceptance.

It does not seem necessary to consult the I.G. of Prisons as the C.E. submitted the original proposal for the local purchase through the I.G.
